# Massage

## **Traditional Thai Massage**

This ancient form of massage unique to Thailand uses deep tissue, pressure points and stretching techniques to reduce stress and relieve aching muscles.

Recommended for those whom prefer a firm massage.

## **Reflexology Massage**

This specialized foot massage assists in the relief of stress and tension, helps to improve circulation, and fosters a restoration of the body's natural state of equilibrium. (For lower leg)

## **Oil massage**

A soft or Firm massage to relieve stress-related tension in your body. Gentle acupressure is applied to restore a sense of serenity to your day.

## **Aromatherapy Massage**

Relaxing massage with integrated techniques are used with your choice essential oil blends, to leave you feeling balanced and rejuvenated. A definite tonic for jet lag.
